

2 December 1957

25X1 Memorandum for: [redacted]
Subject : Hostile Interrogation and Control Techniques
Attachment : Paper - "Hostile Interrogation and Control Techniques"

1. The attachment is a draft summary by [redacted] of "Communist Interrogation and Indoctrination of 'Enemies of the State,'" by Dr. Laurence E. Hinkle, Jr. and Dr. Harold G. Wolff. This summary also incorporates the proposed Agency policy for captured personnel as approved by the DCI on 28 April 1956. It has been checked against data in a Senate document, "Communist Interrogation, Indoctrination and Exploitation of American and Civilian Prisoners," Hearings before the Permanent Subcommittees on Operations, 1956, and against the data in a memorandum, "Implications for Resisting the Communist Interrogation-Indoctrination Process," Communist Control Techniques, 1956, by Dr. Robert Goodnow. Also reviewed were selected documents prepared for the DCI by the Political and Psychological Warfare Staff.

2. A meeting to discuss the attachment will be held at 1300 on Tuesday, 17 December in the office of [redacted], Deputy Director of the Office of Security, 2054 I Building.

3. The Office of Training is prepared to examine at that time the use of this paper in the instruction of personnel departing for overseas posts.
